## SUMMARY

Data enthusiast seeking to build a career in data science to utilize my skills in mathematics, programming, and pattern recognition. Driven by curiosity and problem-solving, I am dedicated to transforming raw data into valuable insights for informed decision-making. And have passion in Building attractive websites

## TECHNICAL SKILLS

SQL	PYTHON	Java	Django web development
EXCEL	numpy	Java Script	Html , Css , Reactjs
MANGO DB	pandas	Git/Github	AI/ML (Basic)
SQLite	matplotlib	Jupyter Notebook	Blender

## PROJECTS

### Karnataka Places Blog Website

- Developed a blog website showcasing places in Karnataka using the Django Python framework.
- Integrated libraries such as certifi, chardet, Django, django-crispy-forms, idna, Pillow, pytz, requests, and urllib.
- Utilized SQLite as the database for efficient data management.
- Conducted software testing using Selenium on the Microsoft platform to ensure functionality and performance

### Front-End Development Projects

- Created small web pages while practicing tools like HTML, CSS, JavaScript, and React.js to enhance UI/UX skills.

### Data Analysis Practice

- Practiced data manipulation and analysis using Pandas and NumPy on Kaggle datasets to develop a strong foundation in data science

### Restaurant Website Project

- Designed and developed databases and schemas for the restaurant website to efficiently manage menu items, orders, and customer information.

## EDUCATION

- Primary and High School Education      2009 - 2019**  
Nisarga Vidyavahini School  
Address :Bengaluru Karnataka 560073  
Percentage: 84%
- Secondary Pre University Education (PCMB)      2019 - 2021**  
Basaveshwara Pu collage  
Address : Rajajinagar 1st block Bengaluru karnataka 560010  
Percentage: 75% (2nd pu)
- Bachelor of Engineering in Information Science and Engineering      2021 - 2025**  
RR Institute Of Technology  
Address : Raja Reddy layout Chikkabanavara Bengaluru 560090  
CGPA : 7.6

## INTRENSHIP

### AI/ML Intern – Roomon Technologies (Ongoing online)

Gaining hands-on experience in artificial intelligence and machine learning, contributing to real-world projects, and enhancing practical knowledge in the field.

## ADDITIONAL INFORMATION

- Languages:** English, kannada , Hindi , Telagu
- Certifications:** nptel certificate on java , Certificate on Front End web from mevi's Technologies
- Awards/Activities:** Creator, Maths Measure YouTube Channel: Developed educational content on mathematics for students from 5th grade to engineering levels, starting with a series on probability.
